H&R's Assurance of Quality . We take great pride in growing and selling strong, vigorous, healthy and generously sized orchid plants. Parent plants are laboratory tested, prior to meristemming, to assure that they are virus free. In addition, we include safeguards in our culture & growing practices, which enable us to to assure that, at the time of sale, H&R's orchid plants are virus free.

Regarding Holiday & Winter Shipping :Second week of December thru December 31, US MAIL shipments suspended, due to heavy Christmas mail volume. Mail shipments resume after New Year's Day. FED EX SHIPMENTS UNINTERRUPTED. During winter storms, we will reserve plants but delay shipping by mail. West coast mail will continue.

Even mail to warm areas such as Florida & Puerto Rico may be affected, since mail travels through transit hubs such as Chicago. Fed Ex shipments will continue whenever possible. All shipments are heavily insulated.
