SUMMER 2010 : Orchid Price List (June 16 thru September 15, 2010, or until superceded) 3 lists: March 1, June 16 , Sept. 16. **DO NOT USE OLD LISTS.** Call, fax, write or see Web site for current list.

Aloha from Hawaii! Attached is our Summer 2010 List. We hope you will take the time to view our excellent selection of items. We have many new items & also plants in larger sizes. Everyone's got a plant to sell ... but, we strive to have new & improved versions, as well as to produce plants that are vigorous, clean & in excellent health.

At H&R, we don't just sell plants. For over 30 years, we have developed & produced in our own laboratory & nursery, many orchids that are easier to grow & bloom ... that oftentimes bloom more than once a year, with long lasting flowers ... & frequently elicit a really big **WOW!!!** If you are bored of the same old, same old, then give us a look.

Roy will be attending the **Houston OS Workshop** on Aug 7. If you would like to make a pre-order, please email us several weeks in advance. We will ship with our plants. Harry will be speaking to Edmonton & Calgary on Sept 20-21. Since these are international, we would prefer group pre-orders from a special Canada Plant List. Email address above.

We no longer print paper copies of our photos. The photos on our website better allow us to update the hundreds of new photos for our customers' convenience.

You may call, fax, mail or email orders to "orders@hrnurseries.com". I'll get back with email replies as soon as I can. Please include a cell or regular phone number. For matters requiring immediate responses, please call or fax. Charge Card numbers should be called in or faxed. Thank you for your support & patronage.

Shipments insulated for heat & cold, via US Priority Mail or Federal Express. We guarantee safe delivery. Mail shipments may be held during extremely cold periods. We monitor for extreme weather conditions. Unless otherwise instructed, orders received by Friday morning will be shipped the following week. We can delay shipping paid orders if requested.
